OF THE STATE OF ALABAMA®

2018 Governmental Affairs Conference
Jan. 29 – 31, 2018

ABOUT THE CONFERENCE

Make plans to join your colleagues in Washington at the Medical Association's 2018 Governmental Affairs Conference.

Protecting and promoting medicine's interests on Capitol Hill is a never-ending responsibility that requires participation from physicians across all specialties. This is particularly true considering the magnitude of the health issues confronting Congress.

Due to the Congressional schedule, the format of the 2018 Governmental Affairs meeting will be similar to the 2017 meeting in order to increase participation from our Senators and Representatives.

Meetings will begin late Monday afternoon and will conclude mid-day Wednesday. For those arriving early to enjoy D.C., rooms will be available under our block at the discounted rate.

LET YOUR VOICE BE HEARD IN OUR NATION'S CAPITOL!

The Medical Association's Governmental Affairs Conference will provide you this opportunity! During the conference, you will have the chance to personally meet your Senator and Representative and engage in discussions with them regarding medicine's legislative agenda.
