# COVID-19 QUESTIONS? GET ANSWERS & EARN CME.

As providers, physicians and members of the health care team want to do whatever they can to ensure the health and well-being of their patients. During the COVID-19 pandemic, the practice of medicine is facing challenges in delivering the best care amid government mandates and ever-changing public perceptions of the situation. At the Medical Association of the State of Alabama, we want to help by offering online COVID-19 CME courses (free for members).

Courses include:

- **PRIMARY CARE PHYSICIANS IN THE COVID-19 ERA**
- **PPE FOR PHYSICIANS: NEW, USED AND REFRESHED**
- **AN INFECTIOUS DISEASE DOCTOR'S SYMPTOMS OF COVID AND THOUGHTS ABOUT THE PANDEMIC**

#### Credits

The Medical Foundation of Alabama designates this enduring material for a maximum of .25 AMA PRA Category 1 Credits<sup>®</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Association of the State of Alabama through the joint providership of the Medical Foundation of Alabama and the Medical Association of the State of Alabama. The Medical Foundation of Alabama is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.

## New PPE Available

**ORDER PPE**

through the Medical Association  
of the State of Alabama

The Medical Association of the State of Alabama and the Charleston County Medical Society in South Carolina are working together to offer Alabama physicians the opportunity to purchase Personal Protective Equipment (PPE) including disposable masks, N95 masks, disposable gowns and more.

This service is provided through ActionPPE, who has also worked with medical associations in Arizona, Colorado, Georgia, Idaho, Illinois, Iowa, Louisiana, North Carolina, Ohio, Pennsylvania, South Carolina, Utah and West Virginia.

- There has been a **20% reduction in the cost of the KN95's** due to the volume of orders being placed through Action PPE.
- Action PPE has **recently added face shields and isolation gowns** to the list of items available to order.
- BRAND NEW - now the **items will be shipped directly to you**. It will no longer have to be shipped to The Medical Association of the State of Alabama and then we have to ship out or deliver.

[Click here](#) to read frequently asked questions about the make and quality of the PPE.

Any questions? Please email us at [staff@alamedical.org](mailto:staff@alamedical.org). We will try to respond as promptly as possible.

If you want to place an order but don't meet the \$500 minimum email [Meghan Martin](#).
