Updated Vaccine Information Toolkit for Providers

Throughout the COVID-19 pandemic, we have remained committed to providing you with the most relevant and timely information. The Pfizer vaccine is now available for health care workers and we have updated the appointment information in our toolkit. Please visit page 5 in the toolkit for more details.

The Medical Association has developed this COVID-19 Vaccine Provider Toolkit to help you answer essential questions that you might have about the COVID-19 vaccines.

The information in this toolkit includes: comparisons of the Pfizer and Moderna vaccines, Pfizer vaccine prioritization for office-based physicians, vaccine allocation, storage,
billing/coding, provider enrollment instructions, frequently asked questions, sample social media posts, and more.

As new details are announced, the toolkit will be updated on our website. Click below to download it now!
